

Popular Waves

Premium Ice Cream deserves premium chocolate or caramel marbling through its creamy goodness! But why stop there? Consider a rich strawberry or a ripe raspberry, or even bubblegum, peppermint, cotton candy, or marshmallow waving its way through your premium ice cream. Weber Flavors manufactures specialty Waves™ and bases. Many products are ambient shippable and require refrigeration only upon arrival. Therefore, increased freight costs for refrigerated shipping are avoided.

Apple Wave	Caramel Wave	Honey Wave	Red Raspberry Wave
